

# Welcome!

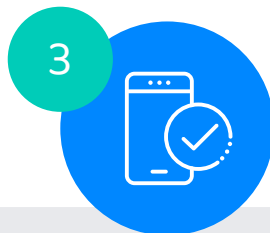

We're happy to see you!

Please scan this QR code with the camera of your smart-phone to log in – there is no need to download any QR code scanner app.

Please insert your personal data in case authorities need to contact you. Your data will be encrypted and stored safely for four weeks and afterwards will be deleted automatically.

Don't forget to log-out when you're leaving to make it easier to track every person you've been in contact with. This way you can protect yourself and the people around you!

Thank you for helping us flatten the curve!
